THE CITY'S BEST KEPT SECRET

Wherever you're coming from and however you're getting here Atrium is ideally located.

The proximity of the M62, M1 and the train and bus stations means the park is accessible both by car and public transport providing excellent connections to a wider area. With Crown Point Retail Park a stones throw away the building benefits from easy access to a variety of shops providing a range of retail food & beverage and leisure amenities as well as being a 5 minute walk into Leeds city centre.

Home to one of Europe's biggest regeneration programmes, Southbank will aim to double the size of Leeds city centre. This 253-hectare space is the size of 350 football pitches and will be transformed into a 'globally distinctive' destination for living, learning, creativity, leisure and investment. At the core of this stands the new £3.25m city centre greenspace, Aire Park.

SPACE THAT WORKS FOR YOU.

Atrium delivers big business advantages in a space that can adapt to your changing needs. Each floor provides efficient open plan workspaces providing aspirational space allowing occupiers a range of fit out options.

The large open plan floor plates offer the opportunity for an occupier to deliver a unique office design to transform the workplace and enhance the employee experience.
