The Halo Enterprise and Innovation Hub comprises an outstanding industry leading and award winning low-carbon sustainable office building within a Net Zero Carbon development.

The suite comprises Grade A offices within a four-storey detached building of steel frame construction with a curtain walling system incorporating spandrel panels. The offices benefit from a reception/café and common seating reception to the ground floor and full lift access to the second floor.

The office accommodation is fully fitted and carpeted to an occupiable standard and benefits from corporate grade fibre WiFi connection, 5G connectivity, EV car and bike charging points and secure bike storage. There are accessible WC/shower facilities located in the central core area which provides full services to the entire floor.

The building has an outdoor urban landscape with seating provision surrounding the building.

LOCATION

Kilmarnock is the administrative centre of the East Ayrshire Council area and has a resident population of approximately 46,580 persons, although draws upon a wider catchment area from villages such as Kilmaurs, Stewarton and Galston.

The development is within a couple of minutes' walk from the town centre and the public transport hub. HALO Kilmarnock provides a relaxed environment for staff and visitors who can enjoy the new public realm and walkways which open up the site.

HALO Kilmarnock is very accessible by car, bus, train and plane. Kilmarnock is located 23 miles south west of Glasgow City centre and is within 6 minutes travel time of the M77 motorway and Kilmarnock railway station. There are fast and frequent bus routes to major Scottish Cities, such as Edinburgh and Glasgow from Kilmarnock Bus Station. Glasgow and Prestwick International Airports are within a 37- and 18-minute drive time respectively of Kilmarnock.
