

Suite 6, Malin House, European Marine Science Park, Dunstaffnage, Oban PA37 1QA

- High Spec Modern Office/Laboratory Accommodation
- Total Floor Area: 89 sq m / 958 sq ft
- Suitable for Marine Science Occupier

LOCATION

The European Marine Science Park (EMSP) is situated 3 miles north of the town of Oban — known as “The Gateway to the Isles” and the “Seafood Capital of Scotland”. The emerging marine business cluster and world-renowned expertise at EMSP provides an entrepreneurial community within which new expanding and inward investing companies can thrive and grow.

With the Scottish Association for Marine Science based at the park, there are excellent opportunities to collaborate with Academia on research and development projects.

Oban is well connected by air, sea, road and air. Oban Airport and Ferry Terminal provide regular flights and sailings respectively to many Hebridean Islands. The A82 and A85 trunk roads give link the area with Glasgow, Fort William and Inverness whilst the town has a terminus station on the highly scenic West Highland Railway Line.

DESCRIPTION

Malin House provides high quality laboratory and office accommodation in an established location for Marine Science. The subject suite is situated on the first floor. It comprises high spec office and laboratory space. Further information on the nature of the fit out can be provided on application.
