Description

The subjects comprise the 2nd floor and attic within an attractive Category B Listed three storey building built in the early 19th century overlooking Tay Square.

The premises are to be upgraded to provide a bright, modern and spacious office with welcoming entrance / reception area, well-apportioned offices / meeting rooms, ancillary kitchen, WC facilities and storage accommodation. The refurbishment will provide a contemporary functional layout to meet modern needs whilst restoring many of the original features to ensure the Victorian history, character and charm of the building is maintained (see artists impressions adjacent).

The main entrance to the property is on South Tay Street. There is another entrance to the rear of the property, from the courtyard which contains 3 car parking spaces, accessible from Tay Square.

Location

The subjects are located in a prominent position cornering South Tay Street and Tay Square in one of the most sought after locations in the city for professional office occupiers. It lies within an area known as the Cultural Quarter, the heart of Dundee's conservation area, with numerous bars and restaurants in close proximity, together with the prestigious Dundee Repertory Theatre and Dundee Contemporary Arts Centre. Other occupiers within the building include a firm of architects and popular restaurant, The Tayberry.

The subjects are also in close proximity to Dundee Waterfront and are conveniently placed for access to the main city centre retail area and the main campus of Dundee University.
