AYLESFORD BUSINESS PARK

AYLESFORD BUSINESS PARK is an exciting modern development comprising 7 flexible trade and warehouse units. The scheme offers cutting edge, energy saving technologies, enabling a reduction of carbon emissions by 35% (compared to a 2013 Building Regs warehouse).

Aylesford is approximately 33 miles south east of central London. The scheme is situated on St Michaels Close adjacent to the Waitrose Distribution Centre on the corner of Beddow Way.

Situated 1.5 miles from Junction 6 of the M20 and the A229, Aylesford Business Park is located within an established commercial location for trade, industrial and logistic warehousing. Junction 5 of the M20 is located less than 2.5 miles from the development, offering an alternative direct route to access the motorway infrastructure.

GREEN NATURALLY...

ECO- INITIATIVES

-  35 % improvement in CO₂ emissions over 2103 buildings regulations requirements
-  Highly insulated, airtight building envelopes in excess of current building regulation requirements
-  Roof mounted voltaic panels
-  12 - 15% roof lights in the warehouse to ensure unencumbered natural light
-  Electric car charging points
-  Motion sensitive LED lighting with daylight controls

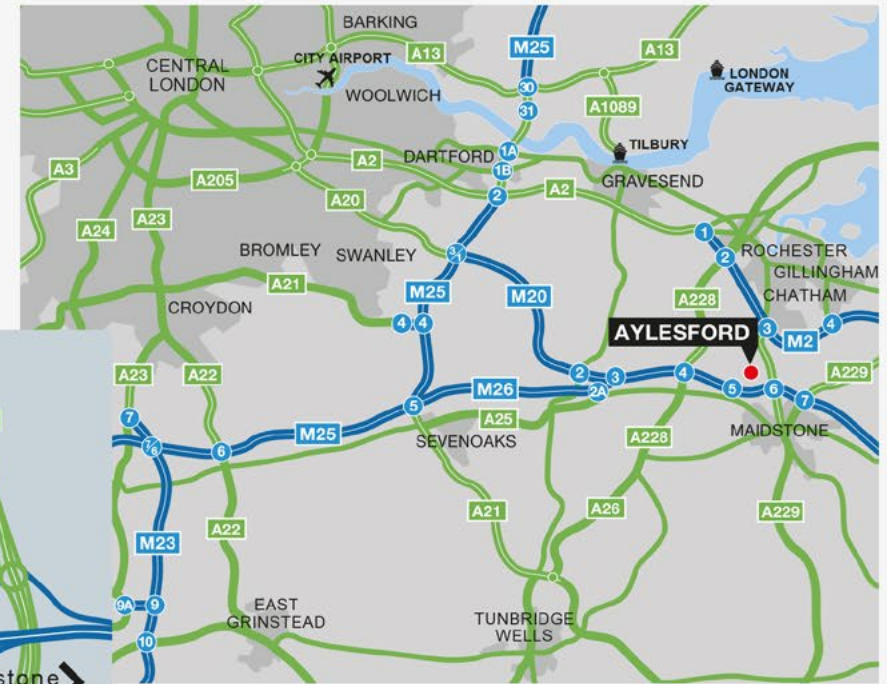

PRIME LOCATION...

Aylesford Business Park is located on the corner of St Michaels Close and Beddow Way, on the well established Forstal Road Industrial Estate in Aylesford, Kent.

The scheme is approximately 0.5 miles from Aylesford town centre and 1.5 miles from Junction 6 of the M20 motorway. The M20 provides direct access to the M25 and national motorway network to the north, as well as the Channel Tunnel and ports to the south. The A229 provides access into the Medway towns.
