SUPERIOR SPECIFICATION

The units at **Sidcup Logistics Park East** provide superior workspace built to the highest specification and sustainability standards.

High level window glazing allows for natural light to flood into warehouse areas. Improved insulation to the units also helps to contribute to a reduction in energy bills and CO2 emissions.

Each unit benefits from a generous allocation of solar PV panels and at least 2 EV charging points as standard, with ducting in place for all other car parking spaces for future charging point provision.

All units are EPC rating A and feature new first floor offices and W/Cs.
