YOU?

ARC.

We bring together people and places, creating innovative spaces for dynamic businesses.

Once you know where you need to be, it's all about being the best you can be:

- ARC was formed using the Arlington Team which was Established in 1981
- Tried and tested delivery mechanism
- Creating exemplary working environments
- 40m+ sq ft delivered on time, on budget, every time
- 85% of our developments are bespoke for our customers

A BRAND NEW DEVELOPMENT OF FOUR STATE OF THE ART UNITS IN THE READING'S GATEWAY

Reading International Logistics Park (or RILP) is delivering the next generation of gateway logistics (great connections made simple) with occupier led design at its core.

The development represents best in class design and building delivery occupying an unrivalled densely populated urban location with immediate access to Junction 11 of the M4 - the gateway to London and the South West.

The location has been endorsed by the nations most high profile occupiers including Tesco, DPD, DHL, Yodel, Argos, 3663.

GATEWAY TO LOGISTICS

THE LOCATION

The future of logistics is direct access to gateway arterial road infrastructure communications. RILP sits on the edge of one of the most densely populated conurbations in the South East in a logistics heartland offering unparalleled access to markets.
