Description

Constructed in the 1980s as the Great Mills/ Focus DIY headquarters, the building is set in 3.5 acres of landscaped grounds with extensive car parking. The building offers some of the largest occupational floor plates in the area. Paulton House is a 2 storey building that was designed in three wings with a central reception and core that includes a lift. With toilets in each wing there is considerable flexibility to the layout. The subject accommodation comprises the West Wing of the First Floor and provides modern open plan accommodation which offers a versatile range of suite sizes from 202-744 sq ft (18.77-69.12 sq m). The accommodation benefits from the availability of amenities associated with the successful Paulton House Serviced Office Centre which occupies managed offices on the remainder of the First Floor.

A business lounge, kitchens, break out area and business support are all available.
