Description

Unit 3 comprises a semi-detached warehouse that has been built around a steel portal frame.

The open plan warehouse benefits from a power floated concrete floor and 4.2m (13ft 8") minimum eaves. There are fitted offices with individual meeting rooms at both ground and first floor levels which benefit from suspended ceilings, LED lighting, and air-conditioning and heating systems. The property also benefits from multiple WCs at ground and first floor level.

Externally, the property benefits from 60 allocated car parking spaces which are situated along the front and side elevations of the property.

The warehouse has a loading capacity of between 5 – 15 kN per sq m. We advise all interested parties to make their own enquiries to ensure this is suitable for their specific requirements.
