neospace® provides 78 luxurious office suites ranging from 2 - 45 desks, together with individual coworking and hot desk memberships.

neoPremium

neoPremium can offer businesses a luxurious, dedicated, access controlled, private office with our membership plan. These offices are located at the heart of the neo building with memberships that can be tailored to cater for your business needs. The offices benefit from both natural light and River Dee views.

neoCorporate

neoCorporate offers businesses a fully furnished, private office on levels 3 and 4 of the neo building. As part of the neoCorporate membership, you will part of a prosperous community with access to a shared lounge/break-out space and self-service tea & coffee points.

neoDesk

Choose from a dedicated desk, hot-desk, or day pass option to experience neospace® for as little or long as you need. Be inspired through coworking alongside like-minded individuals and meet peers from all sectors, from small businesses to multinationals.

fully serviced spaces to let you focus and your business flourish

neoVirtual

For businesses that require the flexibility of working remotely, NeoVirtual offers its clients an affordable presence in a desirable location. Our virtual offering extends, but is not limited: to a business postal address, mail handling, call answering and voicemail services.
