Great natural light

Description

Offices to let close to Vauxhall Station

The offices provide four floors of air conditioned office space which can be taken as a single building, or floor-by-floor. The space will be fully refurbished with new mechanical and electrical plant. The building benefits from an impressive atrium and reception area, plus excellent ceiling heights throughout, as well as plentiful parking.

Excellent transport connections are provided via Vauxhall Station (Mainline and Victoria Line) providing easy and direct links into Central London. The area is similarly well connected to local bus routes. Vauxhall Bridge provides access north of the River Thames, through to Victoria and the West End.

Vauxhall Park is directly opposite the property and provides great views from the upper floors. The park also has sporting and cafe facilities in a very pleasant environment.

Vauxhall has a wide range of local lunch and coffee spots and all the amenities of Embassy Gardens are close by, which provides various new bars and restaurants.
