Description

Virtual freehold & business for sale - Guide price £375,000 to include goodwill, fixtures, fittings & equipment.

An opportunity to take over this well regarded and very long established Sandwich Bar, which is fully fitted for the trade and has been trading, we understand, for some 30 years. Our clients have owned the business for approximately 10 years and have added a mobile catering unit to the take-away and delivery services already offered (Smart car included in sale).

The business enjoys a loyal following, being one of only a few independent shops in the area selling freshly made to order sandwiches.

The premises, which measure circa 450 sq ft, are prominently situated in a sought after parade with easy on street parking and close to Walton on Thames town centre- the mainline station is also within easy walking distance.

Trading profitably over six days, financials and further details can be provided to genuinely interested parties after an initial meeting.

The unit should qualify for small business rates relief, subject to the usual criteria.

Our clients will also sell the business on a new commercial lease for a term to be agreed, if preferred- please enquire.

Please view only view by prior appointment through us.
