### Situation

Loanhead / Straiton (pop 6,900) is a town located to the south of Edinburgh, directly off the A720 city-bypass (junction 5).

Pentland House is conveniently sited in a prominent position at the entrance to Pentland Industrial Estate & is easily locatable, being situated between IKEA and COSTCO on the junction of Pentland Road and Costkea Way - only 130 metres from the A701.

Due to this excellent location, a large selection of retailers and food outlets are available within an easy walk of the offices, such as M&S Simply Food, Starbucks, Costa Coffee, Burger King, KFC, Nandos, McDonalds and Sainsbury's.

### Description

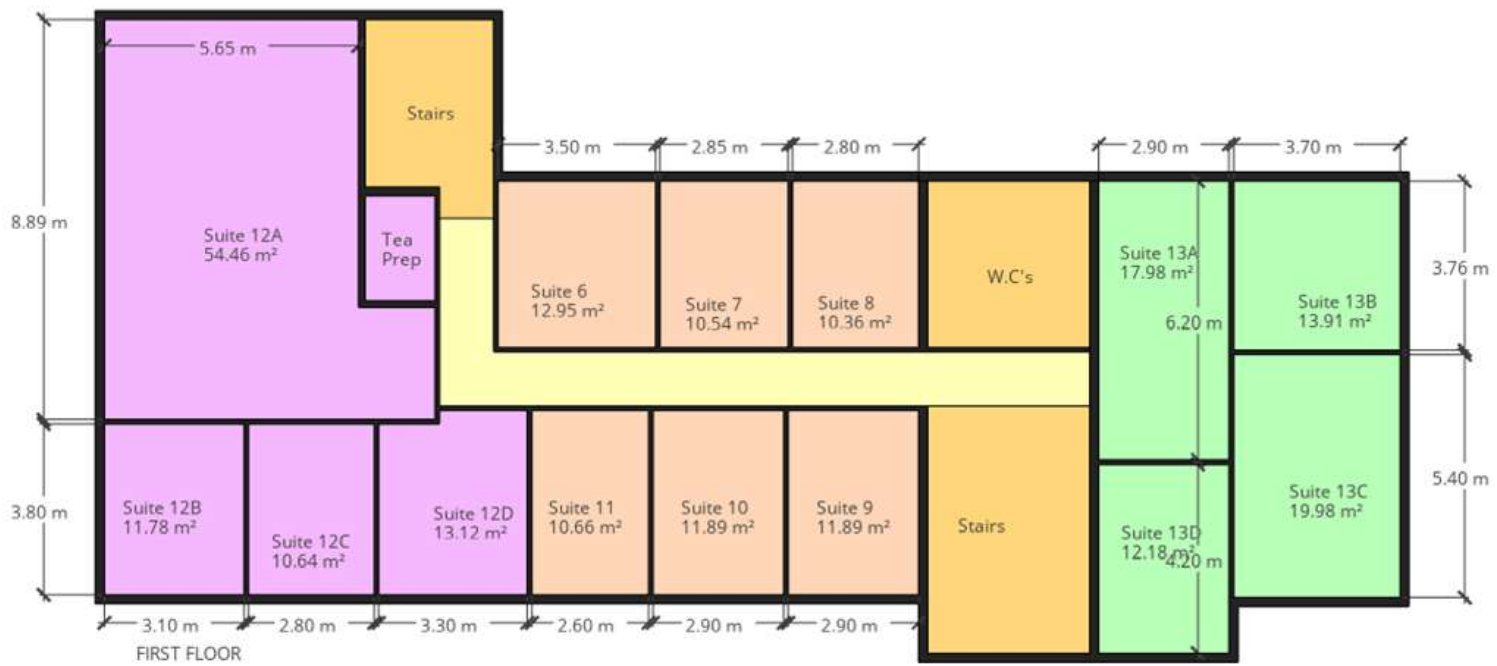

Pentland House offers a selection of office suites within a refurbished two storey building with secure on-site car parking.

The building includes motion activated lighting, sustainable biomass heat source, communal kitchen and wcs (at each floor) and a leased line fibre broadband connection.

Whilst car parking is available on site, the location is also very well served by regular bus links with Edinburgh, Penicuik, Dalkeith and the surrounds.
