## LOCATION

Peterlee continues to play a vital role in terms of attracting and retaining international business interests and fostering local entrepreneurial growth.

Its offer is based upon key sites for employment-generating businesses at North West and South West Industrial Estates (to the west of the A19) and the town centre itself.

Peterlee is a well-established and prominent location for manufacturing and engineering businesses and is a prominent location in the North East property market for employment land and business premises. This offers a foothold in the market to capture new investment in the emerging renewables, advanced manufacturing and ultra low carbon industries.

Bracken Hill Business Park provides modern, well-specified buildings in an attractive landscaped environment. It lies within the former East Durham Enterprise Zone, minutes from the A19 which runs through the town towards Sunderland. Access to the A1(M) is approx. nine miles West.

North to Newcastle

South to Middlesbrough
