Case Study Swagelok

Swagelok is a \$1.8 billion global developer and provider of high-quality fluid system solutions, who wanted the unique combination of warehouse space within a business park.

Rebecca Dowling-Fox at Swagelok commented, "Our move to new premises on Birchwood Park has had a huge impact on our business. The new site has enabled us to invest in new scanning systems and it has streamlined our entire warehouse operation making the day-to-day running much more efficient.

Our team regularly uses the on-site amenities for meetings and we've been able to put new plans in place to grow our team. I believe that the Park's ideal location and extra facilities, such as the nursery and gym, will also help us attract the best talent."

Perks of the Park

Helping you settle in and grow

We've tailored our capacity and options to adapt with you as your business evolves, our leasing team are based here on the Park, so they can look after you from your very first enquiry. If you have a problem or a question, all you have to do is knock on and say hello.

Our dedicated on-site team are here to answer all your initial enquiries, so your move goes smoothly and you can enjoy the benefits of the park from day one.

'It has given us the flexibility to grow & stay in the same location'

Thinking beyond the desk

If colleagues are not nurtured – and given what they need to nurture themselves – then they won't be as fulfilled or as productive as they can be.

We know from our own research that exercise makes staff feel happier, healthier and more energised, so anyone can let off steam at our gym and fitness classes, or get out in the fresh air with our bootcamp and running club. Relaxation is just as important, which is why we've created lots of ways to unwind, like yoga classes, live music lunches and regular movie nights.
