The rear of the building looks south east with stunning view to Mountains of South Uist, Skye and the Small Isles.

The inn is well-known and enjoys an outstanding reputation for the quality of the provision offered. With a great standing as evidenced on various review sites, there is no doubt that the purchase of the Orasay Inn offers an exciting opportunity. This spacious inn offers guests a high standard of accommodation in both the bar and restaurant areas. The 9 en-suite letting bedrooms are all individually finished to a beautiful standard. The opportunity to relax in a comfortable outside space makes the most of the beautiful location.

REASON FOR SALE

Having built the property in 1981 and developed the business in 1987 as a restaurant and then into an Inn in the 1990s to the successful level it is today, the owners now wish to retire.

PROFITABILITY

The business's profitability levels are improving, back towards pre-COVID levels. The vendors have continued to invest in the property while still achieving excellent profitability levels.

LOCATION

South Uist is the second largest island in the Outer Hebrides. The west coast comprises mile upon mile of high quality sandy beaches with machair behind, whereas the east coast is mountainous and rugged. To the south there is a causeway connecting South Uist to Eriskay and the north a similar causeway connection to Benbecula and ultimately North Uist. The main village on the island is Lochboisdale only 20 miles away. Traveling about a mile and half from the main A865 takes you into this striking region of the island.

To the north is the island of Benbecula which has an airport at Balivanich only 10 miles distant. This airport has regular flights to a number of the mainland airport, Glasgow direct and Inverness via Stornoway.

This commercial hub also provides many services, such as a post office, hospital, primary school plus several shops and cafes. It also is home to the Islands main secondary school, which also doubles as a community centre containing a swimming pool, cafeteria, sports facilities, a small museum and a library.

There are ferry connections to Barra in the South and Lewis and Harris in the North. Ferry services run from Lochmaddy on North Uist to Uig on Skye and from Lochboisdale on South Uist to Mallaig and Oban. There are reduced fares under the road equivalent tariff system. There is currently a scheme offering a 50% discount on flights to the mainland for Outer Hebrides residents. The Outer Isles are known for their fine scenery and superb beaches that are virtually unrivalled anywhere in the UK. The Hebridean Cycle Way is an on road route which is 184 mile long and runs from one end of the archipelago to the other. It passes the by the Inn a mere 1.5 miles distant. The Hebridean Walking Way is an off road route of some 156 miles which pass less than a mile from the inn.

Activities available locally include golf, sports centre and riding school. Benbecula Golf Course is set on the grasslands between North and South Uist. The golf course has 9 holes / 18 tees and is located in a beautiful setting with views out to the Monach Isles. To the south Askernish Golf, an 18 hole course is nestled in the machair, an attraction in itself. The Uist riding school is located at Balivanich and is available for locals and visitors alike. The Island is attractive to naturalist, budding archaeologists and for those with an artistic bent there is Uist Sculpture Trail and the Art Centre in Lochmaddy. Water sports such as paddle boarding has become very popular.
