SUPERB CONNECTIVITY

The property is located within the Tollcross area of Glasgow, approximately 4 miles east of the city centre. It is situated to the west of Causewayside Street, close to its southerly junction with the A74 London Road.

The subjects benefit from excellent road links with the A74 London Road being one of the principal roadways through the City's East End leading to the City Centre.

The property also lies in close proximity to Junction 2A of the M74 motorway which provides excellent access to Glasgow City Centre, Lanarkshire, the south and the rest of the national motorway network.

The building itself occupies a prime location, immediately behind Matalan, with access taken from Causewayside Street via the rear yard of Sterling Furniture, over which the property has a servitude right of access and egress over. Title plan available on request.

MODERN HIGH BAY WAREHOUSE

The subjects comprise a detached high bay modern industrial/distribution warehouse which benefits from a large yard, constructed c. 2002. The warehouse (split roughly in half by full height partition wall with internal vehicle access via a roller shutter door), consists of WCs, kitchen, comms room and portacabin offices.

The salient features are as follows:

Steel portal frame construction with profile metal clad external elevations

Profile metal clad roof with translucent lights

Polished concrete floor

LED & fluorescent lighting

APPROX 5,000 PALLET LOCATIONS

11.55m height to underside haunch, 11.85m at roof apex

8 ground level loading doors on northern elevation (W 2.9m, H 5.0m)

Secure yard, part concrete, part hardcore surface

The warehouse is racked with approx. 5,000 pallet locations. The racking does not form part of the sale however can be purchased separately.

ACCOMMODATION

Warehouse	30,606 sq ft	2,843.34 sq m
Welfare	312 sq ft	29.01 sq m
Total GIA (approx.)	30,918 sq ft	2,872.35 sq m

There is a portacabin office within the warehouse which totals approximately 273 sq ft (25.33 sq m). We estimate using our Edozo digital mapping system that the total site area is approximately 1.8 acres (0.73 ha). This provides a site coverage of approximately 39%.
