Old Dairy New Rules

A clean lined contemporary building with a brick façade respectful to the character of the quiet Victorian streets around, Old Dairy House blends harmoniously into this hip but welcoming corner of West London, with a great story to tell.

If you walked down Kilburn Lane in the 1960s you would have had the sight of cattle walking the streets. Named after the Higgins Bros Dairy that once stood here, well before Kensal Rise's transformation, there is still a real village like atmosphere that makes Kensal Rise so unique as it continues to change.

Back in the mid 2000s, as part of W10's artistic renaissance, the building that once housed a dairy was home to a recording studio used by rising local star Adele. In the subsequent years this whole quarter has been transformed into a creative hub, with the community at its heart.

The Old Dairy House is now ready for this new chapter in this address's characterful history.

A day working from Old Dairy House

Once named “the hippest street in Europe” by Vogue magazine, leafy Chamberlayne Road soon reveals its secrets. Don’t be surprised to see a famous face or two as you walk around here - as the likes of Daniel Craig and Thandie Newton have homes nearby.

Start the day at Wild Card, the bean specialists who have worked with Birmingham’s Quarter Horse Coffee to create their own blend, alternatively let the expert baristas work their magic at Cable Co while grabbing a latte.

For lunch breaks, head through the heart of Queen’s Park Village along Salusbury Road to Bob’s Café, a quintessential, exposed brickwork bistro, serving a mean steak frites.

Embrace the local, independent spirit of the area. Before heading home, peruse the counters at Brooks, the free-range meat merchants and one of the best delis in West London.

After work walk over to The Salusbury, the perfect wine store with a dizzying range of wines and ales to take out or to sample in their cosy bar. With fashion boutiques like Supra and Iris you’ll often not need to go much further than your local high street. For post work meals out, explore the many eateries and choose between Sacro Cuore, a minimalist designed pizzeria that sources its ingredients from Napoli and Ida, the neighbourhood temple to hand-rolled pasta. For Asian fusion try Milk Beach, led by Australian chef Darren Leadbeater, or visit vegan café Paradise Plantbased, the kind of quirky independent spot that gives Kensal Rise its growing reputation.

When after work drinks turn to night, head to Paradise by Way of Kensal Green for cocktails and dancing, whilst enjoying the buzzing atmosphere in the shabby chic nightclub on the first floor.

Commercial Spaces

The contemporary design is one of quiet elegance where every detail has been addressed. Perfectly blending an industrial style with function, each unit has adopted a considered layout, providing balanced space to work.

With an abundance of natural light, the units benefit from spacious layouts and a carefully planned specification such as exposed polished concrete and feature metallic paint walls.

About the Developer

Great design often appears effortless, but to deliver spaces that are considered and innovative with an uncompromising attention to detail, requires dedication, drive and vision.

The areas in which the company operates range from Notting Hill and Bayswater, Fulham and Hammersmith, to Finchley and Clapham. An intricate design approach is planned for every individual scheme, aiming to optimise space, light and usability throughout, while taking into account the history and character of both the site and the local area.

The company works alongside leading consultants, interior designers and product suppliers, meaning developments are meticulously thought out right from the very beginning. The properties it builds combine a creative, considered, intelligent design philosophy with exceptional attention to detail, and a commitment to both innovation and the environment.

The portfolio ranges from traditional-looking London townhouses with high specifications, to luxury new-build apartment blocks and sensitively restored heritage buildings that combine original period features with modern interior finishes.

In recent years, Fruition Properties has been recognised and commended for its achievements with several awards across the industry's most coveted ceremonies. These include the Evening Standard New Homes Awards 2017, the Whathouse? Awards 2016 and the Sunday Times British Homes Awards 2017, encompassing respective accolades for Best Family Home, Best House and Best Interior Design. The company was also a finalist in the 2021 RESI Awards in the small developer category.

Fruition Properties' partnered property management company manages all after-sales enquiries, this allows for a personal, seamless process and complete peace of mind.
