Accommodation

Description

Unit 3 comprises a high quality mid terraced business unit constructed on a steel frame with brick, block and clad elevations including a feature glazed pedestrian entrance and window section which provides natural daylight to ground and first floor levels.

The construction provides for an eaves height of approximately 5.6m (approximately 4.9m clear to the frame haunch) and vehicular access is provided by a sectional overhead loading door.

Externally there is a loading apron and disabled car parking space with a further three designated car parking spaces located to the front or at the end of the terrace.
