Opportunity

Our available sites, warehousing and office accommodation are situated within the secure confines of the Port of Swansea, located less than 2 miles from Swansea city centre.

Over recent years the Port has benefitted from major investment and offers opportunity for port-related users to take advantage of both available quayside access and port handling services, together with non-port related commercial occupiers seeking well located and secure storage land, existing warehousing and development plots for the design and construction of bespoke business accommodation.

Location

The Port of Swansea is conveniently located 3 miles, via the A483 dual carriageway, to the west of Junction 42 of the M4 motorway, offering excellent road connectivity. The Port is positioned at the gateway to Swansea city centre (2 miles to the north west) and sits adjacent to the large mixed use SA1 waterside development. The main entrance to the Port is accessed off Baldwins Crescent, which links directly to the A483.

Port Services

ABP's most westerly positioned Port in South Wales providing shorter sailing times for vessels trading in/out of the West of UK. The docks provides deep sea accessibility (**Length: 200m, Beam: 26.2m, Draught: 9.9m**). The Port benefits from multiple berths to accommodate a range of vessel sizes and types as well as quayside infrastructure suitable for the transhipment and storage of a range of cargoes and commodities. e.g. coal, sand, scrap, project cargo, tissue reels, pulp. ABP can provide handling services (quotation on application).

Port of Swansea Opportunities

Planning

The adopted Swansea Local Development Plan (LDP) 2010-2025 promotes opportunities within the Port that enhance the viability of the Port and docks and increase appropriate employment and business opportunities, as well as considerable permitted development rights existing for docks related development (subject to EIA regulations). All interested parties are however advised to refer all planning specific queries to Swansea City Council, Civic Centre, Oystermouth Road, Swansea, SA1 3SN.

Tenure

The Port offers leasehold opportunities for open storage, existing accommodation or for bespoke development to meet individual occupier requirements. Terms are available on application and as per the insert schedule

Service Charge

A provision will be included for any lease for each tenant to pay a service charge, contributing to the costs of maintaining the common areas of the estate and providing on site security.
