LOCATION

The property is situated on the south side of Creek Road (A200) in Deptford, south east London. The site is approximately 5.5 miles from the centre of London.

Creek Road is a busy approach to the City from the south eastern suburbs. The property is situated approximately 50 metres to the east of the junction of Deptford High Street and Evelyn Street. Surrounding uses include secondary retail premises, small commercial workshops and local authority housing.

Town/City	Distance
Deptford Train Station	0.7 miles
Greenwich	2.1 miles
Bermondsey	2.2 miles
Canary Wharf	4.7 miles
Central London	5.5 miles

DESCRIPTION

The property was built in c.1910 and comprises a single storey brick built Delivery Office with a pitched roof supported on steel trusses incorporating glazed roof lights. A brick garage with a flat asphalt roof is attached to the Delivery Office to the east. Access to the property is via a single roller shutter door or two pedestrian entrances fronting Creek Road.

Internally, the building has a concrete floor with wooden parquet covering and single glazed timber framed sash windows. It is lit by suspended fluorescent strips and heating is via a gas fired boiler serving wall mounted radiators. The site is almost entirely developed by the existing building and there is no yard area, although there is space for two delivery vans in the garage.

The property is covered by the London Borough of Lewisham Core Strategy and Development Management Local Plan. The site is situated in the Deptford High Street Conservation Area. The building is not listed and lies in an Environmental Agency flood zone 3.
