The space is well laid out over two floors as a mixture of open plan working areas, meeting rooms, management offices and break out space. The first floor is served by both a lift and a wide staircase. The property benefits from 48 allocated parking spaces with an excellent ratio of 1:191 with electric car charging already installed.

Farnham Business Park is well located just off the A31 with Farnham town centre and railway station within walking distance. Trains to London Waterloo take approximately 55 minutes.
