LOCATION

Kirkcaldy, with a population of around 47,000, is a thriving town recognised as having strong historic roots in manufacturing and for its good quality cultural and educational facilities. The town lies equidistant between Dundee and Edinburgh and is well served by rail being on the main Edinburgh–Aberdeen line.

It is well served by road communications with the A92 to the north of the town connecting this location with the M90 Edinburgh to Perth motorway. The main commercial facilities are situated around the town centre, approximately 1.5 miles to the south of the subject's location.

The subjects are located to the north of Mitchelston Industrial Estate, directly opposite Dunnikier Business Park, in Kirkcaldy. The estate is a well established and vibrant employment and business hub which is easily accessible onto the distributor road network and the A92.

The subjects occupy a prominent position on the corner of Midfield Road and Carberry Road within the Mitchelston Industrial Estate. Occupiers within this location include traditional office/industrial occupiers, a number of new office developments and the Dunnikier Business Park. The subjects have extensive frontages to both Midfield Road and Carberry Road, a busy road junction with significant traffic flows.

DESCRIPTION

The subjects comprise a roughly rectangular site extending to 0.6 hectares (1.48 acres) or thereby.

The subjects present a prime development opportunity for a business looking to locate in a thriving and vibrant business/industrial park location.

Please note: All interested parties will be required to make their own enquiries to confirm as to the availability and capacity of services and otherwise confirm that the site is suitable for their own proposals.
