LONDON CENTRIC

GLOBAL REACH

One of very few opportunities capable of this national reach, Panattoni Poyle 80 directly addresses 60% of the UK population within a single 4.5 hour HGV journey.

Poyle is one of Greater London's most established logistics locations owing to its direct access to the M25 Motorway (J14) and close proximity to **Heathrow** Airport's passenger and cargo terminals and east last-mile connectivity with Europe's largest consumer market; London.

✈ Heathrow by numbers:

Cargo Volume

1.70 million metric tonnes

Revenue

£2.97 million

Daily number of flights (Average)

1,300

Poyle 80 occupies an enviable location with prominence to Horton Road within 0.5km of J14/M25. The M25 is London's principle orbital highway bringing the nations capital to your doorstep. The M4 (J4B) and M3 (J2) motorways are situated within a short drive-time with both offering additional arterial highways connections and unrivalled connectivity to all areas of Central and Greater London, as well as the wider South West.

The M3 and M4 Motorway's offer last mile occupiers two alternative and rapid routes into some of the most affluent areas of West London.

Poyle 80 is superbly situated to serve as a central distribution hub for business with global ambition, and is in a prime position to facilitate same day e-commerce and e-fulfillment operations.

PANATTONI

Panattoni is the world's largest privately owned logistics developer and Europe's largest developer of logistics property. With 58 offices around the globe, we have developed over 580 million sq ft of space. The Panattoni client list includes more than 2,500 international, national and regional companies, many of whom have completed multiple projects with Panattoni, a testament to our determination always to exceed our customer expectations.

Panattoni is synonymous with quality and we pride ourselves on delivering high specification products that are built with the assurance of a long term partnership. Above all, we enable our customers to stay ahead of the curve and future-proof their businesses.

Working in close collaboration with our occupiers, Panattoni has developed a customer-centric ethos providing state-of-the-art facilities located in and around major cities and at key transportation hubs.

In Europe, we are the largest developer of logistics property having delivered over 205 million sq ft of new build space, and our extra-mile approach has seen us recognised as Top Logistics Developer by PropertyEU for 7 consecutive years.
