Description

A good sized detached unit offering scope for multiple uses and the potential to convert to a residential home subject to the necessary permissions. Located on a busy main road it offers great roadside presence and over 1000sq ft of space. Comprises a god size shop floor, internal hallway, lounge/store room and a kitchen. To the first floor are three rooms previously used as bedrooms and a fitted bathroom. To the side of the property is a car port leading to a detached garage which would make great storage. To the rear is an enclosed garden and the potential for off road parking to the front. For more information to arrange a viewing please contact the office.

Location

Located on Radcliffe Road, just off Manchester Road with good footfall and passing traffic.
